PREMIUM CAR CARE & PERFUMES

30 години опит, съчетани с модерни продукти за поддръжка на автомобила

Продуктите **Carbonax®** са създадени с идеята за постигане на високи резултати и високо качество, същевременно съчетани с достъпна цена. Ние сме химици по рождение и от 1992 година насам създаваме висококачествени продукти за нашите потребители.

Богатият ни опит и работата само с първокласни материали и суровини, както и постоянната разработка на нови и по-добри продукти, ни позволяват да отговаряме на търсенето на клиентите.

Това е **Carbonax®** - съчетание между 30-годишен опит и иновативен подход за създаване на висококачествени продукти!

30 years of experience combined with innovative car care products & perfumes

Carbonax® products are designed to achieve high performance and high quality, while combined with an affordable price. We are chemists by birth and have been creating high quality products for our users since 1992.

Our extensive experience and work with premium raw materials and packaging, as well as the constant development of new and superior products, enables us to satisfy consumer demand.

This is **Carbonax®** - a combination of 30 years of experience and an innovative approach to creating high quality car care products & perfumes!
